## Sando-Swaim Wedding Rites July 1

MR. AND MRS. LLOYD A. SWAIM

Avis Louise Sando of Lemon Grove became the bride of a Texas man—Lloyd A. Swaim—in a July 1 wedding in the Lemon Grove Lutheran Church at 2 p.m. Rev. H. C. Bakken officiated at the double-ring ceremony.

The bride, daughter of Mr. and Mrs. Adolph Sando of 2023 Eldora st., L.G., wore a street-length, full-skirted dress of nylon chiffon with lace bodice and sleeves and a shoulder-length veil of nylon tulle. She carried

a bouquet of white orchids and carnations. Maid of honor Becky Repard wore blue chiffon.

Best man was Floyd Swaim, the bridegroom's brother. Ushers were Rene Collett and Vernon Bernard.

Traditional organ music and the wedding march were played by Miss Nancy McCaslin. Terry Sversten, soloist sang "The Lord's Prayer."

A reception followed the wedding. It was held at the church.

Out-of-town guests at the wedding included the bridegroom's parents and brother, Mr. and Mrs. C. A. Swaim and Floyd of Breckenridge, Tex.

## Grossmont H.S. Budget OK'D

A legal publication budget in the amount of \$8,868,410 was approved for the Grossmont Union High School District for 1962-63 by the board of trustees at a regular meeting Monday night. Included in the budget was a 2.8 per cent salary increase for all contract employees. The Board in attempting to hold the line on tax increases had removed from the budget an every pupil insurance program costing \$53,748 and 14 custodial positions which would have restored custodial service to the level provided in 1960-61. Seven of these custodial positions were restored to the budget by Board action.

The budget will increase the estimated current operation tax rate from \$1.24 to \$1.32. The requirements for retirement fund for certificated and classified employees would increase from 10¢ to 12¢. It is estimated that the bond and interest payments on local and state loans will remain constant at 44¢. The total high school levy for 1961-62 was \$1.78 compared to an estimated \$1.88 required under the adopted budget.

During the course of the debate the Board recessed for consideration of personnel problems created by the resignation of Dr. Leon Lessinger, chief of guidance and psychological services. Upon return the Board resumed its discussion of the budget with considerable disagreement being expressed over specific proposals relating to the budget. Finally the compromise measure was supported by members Gode, Hall and Dryden with Robert Brown dissenting. Brown had supported elimination of the 14 custodial positions and additional cuts in the capital outlay budget.

While the Board set aside a 2.8 per cent increase for administrative salary schedules, no definite schedule was approved and the Board requested a study of administrative needs and responsibilities together with the appropriate ratio changes in the administrative schedules.

## Death Claims Ben I. Schei, School Principal Of L.G.

More than 600 youngsters who attend San Miguel elementary school in Lemon Grove were saddened this week by news of the passing of their principal, Ben I. Schei, who became ill about two months ago. Just as summer vacation approached for his 14th class of students.

Schei, 53, died Sunday in Grossmont hospital. He became aware of his condition soon after it was diagnosed as cancer. He left behind a legacy of respect and admiration among more than 7,000 students who passed through his school; and thousands more who knew him as a school administrator, an educator, a service club leader, a church-goer and a fraternal order member.

Schei had been installed as president of the Lemon Grove Kiwanis club in December and presided until his illness. He was a Life Member of the PTA, the National Education Association, School Administrators Association, Fletcher Hills Presbyterian church, and of the Doric Lodge, no. 100, F&AM, Rollette, North Dakota. He was born in Bottineau, N.D.

Schei came to this area 18 years ago from Montana after he received his master's degree at Montana State. He served in Chula Vista and Coronado schools before coming to Lemon Grove as principal. Here he was principal at Vista La Mesa and junior high before being assigned to the San Miguel school.

Services were held Wednesday afternoon at the Lemon Grove Masonic Temple with Conard L.G. Mortuary in charge of the arrangements. Interment followed at Greenwood.

Survivors are his wife, Grace, a son, Kenneth and a daughter, Bernice Le Master of El Cajon.

Also a sister, Mrs. Ann Jackson of Minot, N.D.; four brothers, Nels, Hans and Jacob of Bottineau, N.D. and John of Seattle, and three grandchildren.

The family said that donations to the Cancer Society would be appreciated.

## L.G. School District To Borrow \$200,000.00

Trustees of the L.G. school district observed the death of San Miguel School Principal Ben Schei by a period of silence as the regular board meeting was opened Monday night. The Board noted his 14 years of service to the district. He died in Grossmont hospital Sunday after two months of illness.

The Board instructed Supt. Byron Netzley to request a loan of \$200,000 from the County to carry the district to the next tax income period. Normally, the district borrows \$100,000 but the cash balance drops to about \$30,000 during December. \$200,000 is slightly more than the district's monthly operational expenses.

There will be no bond sales

this year, the board decided. \$220,000 in bonds from the Oct. 1960 authorization earmarked for additions to San Altos school will not be needed now as growth of the San Altos area does not warrant the bond sale. Netzley informed the board.

A saving of \$3,850.82 in insurance premiums was noted as the board transferred all fire policies to Carter and Higgins of S.D. Equally important, Netzley explained, the insurance covers school property on a replacement rather than a depreciated value, as was the case with previous policies.

The budget, submitted to the County School Superintendent after the last meeting, was returned stamped "OK".

## Resuscitation Program To Be Sponsored By L.G. Kiwanis Club

A free demonstration program of artificial respiration including mouth-to-mouth resuscitation will be held at the L.G. junior high school at 7:30 p.m. July 19.

Orin H. Myers, director of first aid and water safety for the S.D. County Chapter of the American Red Cross will conduct the demonstration which is being sponsored by the L.G. Kiwanis club.

The L.G. Fire Department plans to demonstrate its oxygen resuscitator which has saved the lives of several local residents.

A film, "That They May Live," will be shown by Myers to round out the program.

Frenchy Faucher and Gene Arsenault, co-chairman of the program for the Kiwanis club said that the program would be valuable to every person who comes within shouting distance of a pool, lake, bay or ocean. "Private pool owners particu-

larly should bring themselves up to the highest life-saving proficiency," Faucher said. "Drowning danger increases in vacation-time," he added as he urged every person who has not been informed on lifesaving to attend the demonstration.

"A person who attends the demonstration will be potentially able to save a life," Arsenault added.

### The Death of a Business

We are as sorry, as we know many of you are, to lose one of our better local markets.

Don Diego Market, on Broadway in Lemon Grove, followed the trail of too many other firms in the S.V. - L.G. area and closed its doors Sunday.

At a meeting of the S.D. Wholesale Credit Men's Association a few days before the market closed, creditors heard Loren Kuentzel and Johnny Ambler, owners of Don Diego Market, explain fully and openly how they had decided to close while creditors were protected. The alternative, they said, would have been to take a chance that business would recover spectacularly. If the latter decision turned out to be wrong, those assets now available for creditors would have been sapped off in the months to come. The firm wanted a clean record, they said.

Several things contributed to the decision to go out of business, they said. Whatever they were, not the least was the building construction strike which had a serious deteriorating affect upon their sales volume which was already low due to the current poor economy of the whole area.

Then, they said a very remarkable thing . . . a report which we will give here verbatim.

Kuentzel: "We lost heart when the State Board of Equalization came around not long ago."

Ambler: "They said our books weren't kept properly." Kuentzel: "When we opened three years ago we called on them to show us how they wanted our records kept. This year they said our record keeping was wrong."

Ambler: "They stuck us for a \$1,100 penalty. Then we decided it was foolish to keep fighting."

Here, we think, is one of the most lucid local examples of how fear of government affects business.

Maybe government has no more responsibility to business than this report indicates. But the families who were supported by the seven regular employees there would say to the contrary.

## There's Democracy In The Doctors' Strike

A more rational color was added to modern society's pink-tinted tapestry when 700 Canadian doctors went on strike against Saskatchewan's new compulsory medical care plan.

The added color was heartening to those who despaired that socialism's growth was run-away and no effective obstacle could stem it.

Let it be said that the doctors didn't make this strike absolute as do electricians, plasterers, longshoremen and the

## Have Car--Will Travel With One Day Delay

John Sievers, and his family, of 3291 Buena Vista thought for a while that vacation was not for this year. . . but the sheriff's department made it possible - and in jig time, too.

Early Monday morning, Sievers, his wife, and three children were ready to load the family's '54 Chevy for their first vacation together, a trip to Yosemite.

The car was gone, and with it Sievers' fishing tackle, his tools, and several other vacation necessities. A thief had "jumped the ignition" during the early morning hours while the family was dreaming of the tall trees. With the car went a complete motor overhaul, a new set of tires, and a spill-over full gasoline tank.

Sievers reported the loss to the sheriff's office at 9 a.m. Monday and then prepared a patio-type vacation at the family home.

By 10:15 a.m. the trip to Yosemite was back in the works. . . but with a slightly delayed schedule. Sheriff's men had impounded the car in Chula Vista by 10 a.m., about an hour after the loss was reported.

## GROVANS LAUDED FOR 'NO LOSS' FIRE MONTH HERE

The people of Lemon Grove received a "well-done" from the Fire Department here this week when Assistant Chief Fred Dixon announced that June was a "no loss" fire month.

"It is the first month that I know of in which Lemon Grove had no fire loss and I think the people here are to be complimented," Dixon said. "The Fire Department is pleased that the people of Lemon Grove have been that careful."

Three small fires occurred here during the past week.

July 7. Children with matches started a little grass fire at 3205 Washington st. which burned, however, in dense growth and required 275 gallons of water to be extinguished.

July 9. A flooded carburetor flamed when it backfired at Oscar's Drive-In on Broadway in Lemon Grove and damage to wiring and the engine compartment amounted to \$100. H. J. Bolzenal was owner of the car. Firemen were called at 12:23 a.m.

# Swim Pool Shock Brings Spring Valley Man Near To Death

Harvey Russ, 36, 1970 Avon ln., Spring Valley, is in Paradise Valley Hospital with serious injuries after receiving a violent shock from overhead electric wires July 4.

He had just gotten out of the family pool, and his swim suit was still wet. While his wife, Bernice, and their six children, Johnny 14, Frankie 13, Linda 10, Larry 7, Jimmy 3, and Laura 1, were still in the pool, Russ began to sweep down the sides of the pool with a brush which had a long metal handle.

The handle came in contact with the overhead electric wires. Mrs. Russ said her husband was knocked 18 feet and into a planter box containing rocks.

When he landed in the box, he called, "Don't touch me," Mrs. Russ said. She said that when she arrived at his side he was unconscious and gasping. It was then she sent son Johnny to the Orville Fournier home and Fournier called the Spring Valley Fire Dept. Another son, Frankie went for the ambulance to cover his father. OXYGEN ADMINISTERED

The ambulance crew of the S.V. Fire Dept. worked over

Russ for about a half hour before taking him to the Paradise Valley Hospital. About 3400 pounds of oxygen was given to him by the ambulance crew, a fire department spokesman said. Mrs. Russ said her husband had two or three broken ribs (sustained from the fall), and that the muscles in his back, chest and stomach were "tied in knots." She said the doctor told Russ he may have a fused spine.

A spokesman from the San Diego office of the Gas and Electric Co. said the line Russ came in contact with carried 4000 volts, but he had only touched one side of the wire, receiving about 2,400 volts.

Russ will be in the hospital for several days, his doctor said, as the extent of his injuries has not been determined.

ty Hospital where he was taken Monday by the S.V.F.D. ambulance. He suffered burns on 60 per cent of his body according to Deputy Coroner R. W. Rider.

Also on July 8, Mrs. R. M. Bergman, 19, of 3566 Helix st., was taken to Grossmont Hospital for maternity.

July 9, A. Hammer, 67, of 3866 Spring dr., was taken to Grossmont Hospital suffering from a possible heart attack.

## The DIMMER VIEW

(Continued)

like. The Canadian Medical Association set up 34 emergency centers to provide free treatment while the strike went on and name-calling was bitterly indulged in.

The Canadian Labor Congress labeled the strike "mutiny." It is "open and brazen defiance of constituted authority" they charged.

The president of the Quebec Medical Association described the plan as "complete civil conscription of the medical profession."

Under the plan every resident is forced to contribute to the cost of the program through payroll deductions and general taxes. Fees to the doctors are set by the government. Doctors see the plan as opening the way for government control of medical practice in Canada as American doctors are likewise concerned about medicare in the U.S.

We see in the doctor's strike the first firm hope of stemming socialism in this hemisphere and doctors must become the bulwark upon which a mighty defense can be based. Few other professions demanding the strict mental discipline required of doctors have ever been successfully banded together for political action. The people of this profession have the intelligence, the courage, the substance, the confidence of the people they contact, and the voice to be the last worthy antagonist of burgeoning bureaucracy and socialism on this continent. They will have to do the job that newspapers should be doing.

The reply to President Kennedy's television speech on medicare by AMA's Dr. Annis earlier this year is a good example of effectiveness of the medical group. Any way the disagreement is viewed, Dr. Annis' rational approach made better sense than did the President's emotional urgings.

Dr. Annis did not have the benefit of a clutch of Harvard grad. writers to develop his points. Nor did he have as much time to prepare his rebuttal, there being but a day in between. Nor did he have a sympathetic audience to emphasize his points with applause as he spoke to a bare convention hall, and he did a masterful job on cancelling out the President's strongest arguments.

Through doctors we may be able to turn aside, for the first time in more than a generation, an important administration espoused socialistic gimmick.

## 'Understanding Of God Is Freedom' Is Sunday Text

Freedom from enslavement of every kind is available through spiritual understanding of the mighty power of God. This is the encouraging theme of the Lesson-Sermon entitled "God" which will be presented at Christian Science churches Sunday.

Bible readings will include this verse (Revelation 11): "We give thee thanks, O Lord God Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this selection will also be read (p. 228): "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses. Mortals will some day assert their freedom in the name of Almighty God."

## REV. DAVIS CONTINUING 'BEATITUDE' SERIES

### "HOLY SPIRIT"

In his natural state, man is dead in trespasses and sins. A dead man cannot produce anything. Man's spiritual condition is that of death until the Holy Spirit comes upon him to set his mind free and enable him to become aware of his state.

## THIS LOCALE PRODUCES A FUTURE FARMER

**FUTURE FARMER** — The boy on the tractor is Paul Kistrup, Jr., shown when he was harvesting Jamul acreage planted in oats. The Jamul 4-H Club got him interested in agriculture. Taking it from there, he worked 12 acres on a sharecrop basis and raised ribbon-winning sheep. He plans to study the field at the University of California.

Even though population growth in Spring Valley and adjoining areas is rapid, farming in this area is far from being a thing of the past as people would think.

Vivid proof of this is to be found in the agricultural accomplishments of Paul Kistrup, 17, a recent graduate of Monte Vista High school who recently harvested 30 tons of oat hay from acreage at Jamul owned by a former resident there.

Paul lives in Jamul with his family and is one of the outstanding members of the Jamul 4-H Club. The other part of his 4-H achievement has been in livestock. His 20 sheep entered

## L.G. Teacher In NDEA Grant Fresno Class

Robert John Masters, a teacher at Lemon Grove Jr. High school, is one of 56 Spanish teachers from all over the U.S. enrolled in a seven-weeks Spanish language institute now in session at Fresno State College.

According to Dr. Carlos Rojas, chairman of the Fresno State Foreign Language Department and director of the institute, the participants are living in the college dormitories which have been converted into "a Spanish colony." All activities are conducted in Spanish, and, Dr. Rojas said, "the students are reading, writing, speaking, and literally eating Spanish. Spanish movies are shown and Spanish language publications are available."

The institute is financed by a National Defense Education Act grant of \$80,000. Students receive a weekly stipend of \$75 plus \$15 per week per dependent.

Reserve sergeant Ken Weaver has lined up a two-hour all-teen show for the occasion. Pat Garner, a lovely Lemon Grove redhead of 3015 Crane st. will appear on the program. She will sing "Ebb Tide" and "Sentimental Journey."

## Turnbull Gets Role On Hollywood Stage

Lemon Grove actor Bob Turnbull, son of Dr. Amorita Trenganza, 3415 Imperial ave., Lemon Grove has been cast as a violent young real estate tycoon in "The Man in the Dog Suit," current hit at the Cameo Playhouse in Hollywood.

Turnbull takes over the role of George Stoddard, replacing James Odum who moves into the lead character of Oliver Walling. Walling was being portrayed by Ty Hardin, Turnbull's roommate, but Hardin had to leave the cast when Warner's "PT 109" started its location shots off the Keys in Florida. Hardin has the second lead in this story by JFK.

"Dog Suit" was originally scheduled for six weeks and is now going into its 23rd week. It will run through the middle of September.

Some interesting sidelights with the casting of this play would be that Turnbull and Odum graduated from San Diego City College in 1956 and didn't see each other until they met in the play. Odum married a good friend of Turnbull's, Dale Gail of La Mesa. Both Turnbull and Miss Gail are Helix High alumni and took three years of journalism together.

SPRING VALLEY LITTLE LEAGUE

Tom Faris Pitches And Hits Watson's Richfield To Win

In Spring Valley Little League activity, Tom Faris proved to be the hero of the day—at least for his team—when his home-run loosed men on bases and brought Watson's Richfield through for a 10-6 win over Perry Bros. Concrete.

And who was winning pitcher for Watson's? Tom Faris.

Summers Sporting Goods took it from Spring Valley Estates 7-3 on July 4. Phil Knight, w.p. struck out 13 men. Big bats in this game were Phil Larsen, who hit two doubles and Phil Knight, who hit one double. On July 5 S.V. Merchants won over DeFalco's Food Giant, 7-4. Mike Mingus was credited with the win. Dennis Brazell and Jim Tompleton hit triples.

WATSON'S LOSE

July 7 Watson's lost their first game of the season when S.V. Estates pulled out ahead of them with 15-11. Dave Chighizola was w.p. Two baggers were hit by Gerald James, Dan Mahanke, George Horowitz and Steve Bailey.

Perry Brothers took it from S.V. Merchants 5-2 in the second game of the day. Mike Symons was w.p. Jon Cloutier and Bob

McGuire hit doubles. Also on July 7 Summers won over DeFalco's 29-7. W.p. was Bill Campbell. Big Bat for DeFalco's was Rick Brady, who had a triple and two doubles as he batted 4 for 4.

In the Triple A's on July 2 Jacques Signal, 16, Electrical Appliance and Repair, 15. W.p. was Chris Bowman. Four doubles were hit, two by Derol Bushong, and one each by Mickey Fahey and Steve Gody.

GORDON'S WINS

July 4 found Gordon's Mobil ahead of Leon's Texaco, 18-15. W.p. was Bob Krings. Tom Lasher hit a triple, Royal Deiter two doubles, Dave Goertemiller and Ron Grasso a double each.

S.V. LITTLE LEAGUE ALL-STARS CHOSEN
